

Our mission is to lovingly  
proclaim Jesus to everyone  
and teach believers  
to love, obey, and serve Him.

The first step of discipleship is enfolding. Enfolding in its fullest meaning involves evangelism and an invitation for others to see what we are all about. In enfolding, we are following the **"Come and See"** model Jesus used to introduce Himself to those interested in becoming disciples.

The second step of discipleship is equipping. We walk beside others, preparing them for service in their areas of gifting and elsewhere. In equipping, we are following the **"Learn from Me"** model Jesus used to move His disciples into a more committed relationship with Him.

The third step of discipleship is entrusting. Having enfolded people into our lives and equipped them to serve, we then entrust these people with ministry here and abroad. In entrusting, we are following the **"Be like Me"** model Jesus used to release His disciples into Great Commission ministry in Jerusalem, Judea, and the uttermost parts of the world.
